

Join us for an exciting, informative, and interactive guided bus tour

UNDERSTANDING DETROIT'S ECONOMIC ECOSYSTEM

Our expert guide from City Institute will share examples of public-private partnerships, entrepreneurial impact and small- and large-scale innovative projects. We will meet residents and leaders who are moving the city forward. This immersive experience will help us understand how Detroit's history shaped our region today, connect us to what is happening in the city now, and inspire us to apply lessons learned in our communities.

Wednesday, November 15, 2023 at 9 AM
